****Important****

If your sign has any images, please include a digital copy of the images in vector format. If you do not have the images in electronic format, please include the name and/or contact information for any company who has created business cards or signs for you. This will enable us to create your sign with your business card logo. If you are unable to provide us with the above, we will create a sign acknowledging your business as a participant sponsor. Thank you.
